Message from the CRFU President

It is with great pride I write as President of the CRFU. I would like to thank John Sumnall and all of the Board for the warm welcome into the fold of the Cornwall rugby family.

I am fully aware I have some rather large shoes to fill taking over from John. In the meetings I have attended as President Elect I have been mightily impressed by the effort & enthusiasm of not only John but every member of the CB in ensuring rugby in our great county continues to thrive, amidst at times difficult circumstances.

It would be remiss of me not to mention David Martin, who called me one evening to ask if I would like to be the next president of the CRFU. His passing last September was a great loss to not only his family and friends but to Cornwall as a whole. His name was synonymous with Cornish rugby and his passion for the game and all things Cornish ran deep. There are few that have given so much to our beloved game and he is sorely missed.

Congratulations to the clubs who gained promotion and to those who have 'survived'. Camborne's promotion will now see the return of the much vaunted derby with Redruth which has been missing at a competitive level for some years, and I for one can't wait to see how these games pan out.

Our clubs that competed so well in the Papa John's trophy also deserve congratulations. Maligned by some our clubs travelled many miles at great expense putting in some sterling performances, again proving the desire of Cornish players and clubs to compete on the higher stage.

The coming season will no doubt provide challenges for the game at both club and county level. The aim for the county men, women's and U20s teams will be to build on this season's performances. With success comes expectation so it hurts when you don't quite get there. My experience is that this builds stronger desire to do better next time round and I have no doubt this can be achieved this coming season.

For many clubs it will no doubt be about fixtures and both getting and fulfilling them. The fixtures/competition secretary has had a challenging season to say the least. We have all seen that the number of young adults entering senior rugby has been on the demise for some time due to various reasons, including more recently press about the physicality of the game.

Having been at the fantastic Colts Finals on a rainy day at Hayle RFC I was impressed and relieved to see that there is plenty of young talent coming up through the ranks. Picking the player of each match was more challenging than I expected due to the quality on show. Our mission as a rugby family must be to keep these youngsters in the game by providing a safe & inclusive environment for them.

So now I am an 'alicadoo' as we called committee members back in my day! It's not something I thought would happen but I am very much looking forward to it. I have experienced some pretty memorable moments in my playing career and representing Cornwall between 1989-1992 is right up there with the best. There is nothing better than success wearing the black and gold but the greatest part was sharing it with the people of Cornwall.

To all involved at every club, keep up the good work! You are much appreciated and very much a part of the success of Cornish Rugby. I look forward to meeting as many of you as possible in the coming season.

All the best for the coming season.

RUGBY FOOTBALL UNION

After what has been a challenging time for all sports, rugby clubs in Cornwall have worked tremendously hard to bring players and members back to the pitches and clubhouses across the Duchy. I know that players and supporters will be ready for the new season with matches and friendships to enjoy.

The county is famous for its love of rugby union and for the army of volunteers who give so much time to keep clubs thriving and enable others to play the game we all love.

Rugby's core values of teamwork, respect, enjoyment, discipline and sportsmanship are what we all learn when joining the rugby family. I began playing for my school in St Helens at the age of 11 and have been lucky to be involved in rugby for some 60 years.

Having played for my own county, Lancashire, I know that wearing Cornwall's black and gold continues to be a great honour for those selected for the men's, women's and U20s teams, with travelling support from throughout the county.

I am looking forward to visiting the Duchy during my Presidency and would like to thank everyone for their continuing work on behalf of the game and to wish Cornwall RFU and all the Cornish clubs the very best for the season.

Rob Briars

President RFU

Both the Age Group and the Host Club have clear responsibilities for the success of the day, but it is the duty of the Age Group to ensure there is good liaison between the two to achieve this. RULES OF THE CORNWALL RFU YOUTH COMPETITIONS

These rules apply to all league and cup competitions for 16s and Colts.

ADDITION FOR SEASON 22-23 - DISCIPLINE

With the reported rise in cases of match official abuse from parents, spectators, and coaches we feel we need to do more to promote and enforce the values of our game.

Therefore, in addition to the normal discipline process the competitions committee reserve the right to penalise teams by way of points deduction for league games and forfeiting wins in cup matches. It is all of our responsibility to come down heavy of cases of ill discipline and lack of respect and we will sanction any cases that are reported to us.

1. The competition shall be known as the Cornwall RFU knockout Cup or league Competition and shall be open to all clubs in membership with the Cornwall RFU. Clubs wishing to enter must inform the Youth Competition Secretary by the 1st of August.
2. Cornwall RFU committee shall appoint a Youth Competition Secretary Who shall run all competitions and have the final decision on any conflicts. An appeal on the competitions secretary's decision must be put in writing to the Youth Chairman within 7 days of the decision for the Youth committee to discuss.
3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly. The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.
4. Matches will normally be played on the weekend of the dates stated in the draw. However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems. Should a club need to alter a scheduled date they must contact the Youth Competition Secretary 3 weeks prior to the scheduled date. Should the reason for postponement be granted, the Youth Competition Secretary will reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision may result in a penalty.
5. Players must have a current registration with their respective clubs and a valid photo ID card ready to be inspected if required at all cup and league matches, any players playing out of age grade must have the necessary paperwork completed and the opposition informed 24 hours before kick-off, the. All players, including replacements, are deemed cup tied once they appear in a league or cup fixture.

team sheets are provided by the Youth Competition Secretary, they will include players name, date of birth and RFU registration number. A player who is not a registered member of any club participating in the competition may join, providing he does

register. Any player wishing to Join another club and is not cup tied (3 games or less) may do so with the relevant "COP" (player transfer request) completed and signed off, no registered player may transfer after the deadline date which is the 1st of March without express permission from the CRFU youth committee. Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Youth Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, a local member of the Cornwall Referees Society must be asked to confirm this decision. The opponents and the Youth Competition Secretary must be notified immediately. The Youth Competition Secretary will reschedule the game, Failure to accept the Secretary's decision will result in points or game deduction for the offending club.

7. All games shall have a duration of (age grade) minutes each way, with no extra time to be played at any stage of the competition. In the event of an abandoned match, for whatever reason, the result must be notified to the Youth Competition Secretary. The Youth Competition Committee / discipline committee will make the final decision.

8. Points for pool matches will be awarded as follows:

4 points for a win

2 points for a draw

1 bonus point for a team scoring four or more tries

1 bonus point for a team losing by 7 points or more

Should a game not be played, with no fault attributed

to either side, then 2 points will be awarded to both. Where a club concedes a game and does not play as a friendly they will be deducted 5 points and their opponents will be awarded 5 points, should a club withdraw from the Competition, the points together with for and against scores in matches already played shall be removed from their opponent's total. Pool positions will be determined firstly, by the number of pool points accrued. In the event of a tie, the pool position will be determined by points scored and points conceded. Should there still be a tie then the result of the game between the two teams will count.

9. Should a team be short of players, their opponents should attempt to loan their players. Any loaned player will not be cup tied. Failure to agree this compromise will result in the game being played with reduced numbers on both teams (minimum of 10 players). Both teams MUST play with equal numbers always except for a yellow or red card being issued by the referee.

Substitutes: unlimited rolling substitutions with unlimited interchanges permitted, all substitutes must play for at least 35 minutes, the RFU age grade "half time rule" will apply to all cup and league games.

we strongly advise that substitutes be used in a fair and even way, if a team has 15 or less players the opposition are encouraged to use their substitutes on both sides giving every player game time and playing in the "spirit" of the game.

10. Positions in the qualifying stages (if any) of the competition shall be based firstly on the group points awarded (as 9 above). Should there be a tie then the difference between match points for and against shall count. If still equal then by the results of the game between the two teams, and if still equal, then by the total number of tries scored.

In the knockout stages of the competition, should teams be level at full time the team scoring the most tries shall be deemed the winner. If equal, then the team with most conversions shall win, and if still equal, the team scoring the first try shall be

deemed the winner.

11. The finals of the competition will be played at a venue organised by the competitions committee; the date of the finals WILL NOT be changed to accommodate clubs. Should a game end in a draw, the side with the most tries will be deemed the winner. If level, the side scoring the most conversions will be deemed the winner, if still level, the teams will share the trophy.

12. For all matches in the competition, the Cornwall Referees Society shall appoint a referee. Should no appointed referee be available clubs should mutually agree to obtain a suitable qualified/trained replacement. If a suitable replacement is agreed this must be noted on the team sheet before the game commences and signed by both team managers. If no agreement can be reached the Youth Competition Secretary must be notified immediately. The Youth Competition Secretary may make a ruling or reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision will result in points deduction for the offending club.

Prior to commencement of the Competition each season the Secretary of each participating club shall supply the Secretary of the Competitions Standing Committee with an up to date list of the eligible players registered with that club with the RFU

5. In the event of a dispute, a Disputes Committee consisting of the Chairman, Secretary and two other members of the Competitions Standing Committee shall decide on the matter, subject only to a right of appeal to the Management Board of the CRFU ("the Management Board") whose decision shall be final and binding. Any such appeal to the Competitions Standing Committee must be accompanied by the payment of a fee of £25.00 and any such appeal to the Management Board must be accompanied by the payment of a fee of £50.00 which is refundable in the event the appeal is upheld unless the Competitions Standing Committee or (as appropriate) the Management Board decide otherwise. 7. For matches in the Competition (other than the final) Club Secretaries shall immediately notify the Secretary of the Competitions Standing Committee and the Appointments Secretary of the Cornwall Rugby Referees Society ("the Referees Society") of the agreed date upon which the match is to be played. If mutually agreeable, a normal fixture between the Clubs may count as a Competition match, provided that prior written notice has been given to the Secretary of the Competitions Standing Committee and the Appointments

Secretary of the Referees Society. Any difficulty in arranging a match in accordance with these regulations shall be referred to the Secretary of the Competitions Standing Committee.

8. Grounds and Match Management

The "technical areas" must be clearly designated between the touchline of the pitch and any perimeter or pitchside fencing or other barrier as being that to which all those permitted within the pitchside or perimeter fencing (i.e. not more than two medical staff responsible for administering treatment to players and not more than two persons carrying water for the players) are to be restricted during the match other than periods of half time or (if appropriate) between full time and any replay and any half time interval during such replay.
- 8.3 Participating clubs in a match must ensure that team replacements and coaching staff are not permitted within the pitchside or perimeter fencing or other barrier (unless there is a permanent or semi permanent "dugout" in place in which case team replacements and coaching staff must confine themselves to the "dugout" or keep without the pitchside or perimeter fencing or other barrier) other than when a replacement is about to replace a player on the pitch, when a player is temporarily suspended or at and for the extent of half time or (if appropriate) the period between full time and any replay and any half time interval during such replay.

This power shall cease to apply at 2.00 pm two days before the date when a further group match or round of the Competition, immediately following that when the breach of the rules was committed, is scheduled to be played.

8. **Grounds and Match Management**

The "technical areas" when occupied must not in any way impede the touch judges or fourth official (if appointed) undertaking their responsibilities). The "technical areas" must be clearly designated between the touchline of the pitch and any perimeter or pitchside fencing or other barrier as being that to which all those permitted within the pitchside or perimeter fencing (i.e not more than two medical staff responsible for administering treatment to players, not more than two persons carrying water for the players) are to be restricted during the match other than the periods of half time or (if appropriate) between full time and any replay and any half time interval during such replay.

If this is not possible, the matter shall be referred to the Competitions Standing Committee for a decision. If a match is abandoned because of such conditions, when sixty or more minutes have been played, the score at the moment of abandonment shall stand and be deemed to be the final score in the match. - 11.1 In all group matches or rounds except the final, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way with a one minute interval. If the scores are then equal the team that has scored the most tries shall be the winner and if appropriate go forward to the next round. If no result is then achieved, the trophy shall be shared between the finalists. There shall be no replay.

Unless otherwise arranged by the Competitions Standing Committee the final shall be played on a neutral ground and the winning finalist shall receive the Light Infantry Cup. Prior to 1 March in the following season the Hon. Secretary of the winning finalist shall be

Counties 2 & 3 Tribute Cornwall League Secretary

August 2022.

PROCEDURE TO BE APPLIED IN THE EVENT OF A TEAM BEING UNABLE TO FULFIL A SCHEDULED LEAGUE FIXTURE.

As soon as it becomes apparent that a team has insufficient players with the required qualifications to fulfil an upcoming scheduled League fixture, they (THE OFFENDING TEAM) must immediately notify their opponents (THE NON-OFFENDING TEAM') and their League Secretary, of this fact.

Such notice must be given, in writing, (email will suffice) at the earliest opportunity, and confirmation of receipt must be sought from the non-offending team and League Secretary.

Providing that the offending team has at least ten players willing and able to play a match, the offending team may offer to play the non-offending team in a friendly match at the venue and time originally scheduled for the League match.

Terms for the 'friendly' match should be agreed between the two teams, and agreement to the terms must not be unreasonably withheld.

It should be noted that a friendly match is not subject to the normal regulations in respect of registration of players and other regulations specific to League games. For instance, scrums may be uncontested, the pitch size and duration of the match may be altered, providing both sides agree and notify the referee before the friendly match kicks off.

The offending team must inform their opponents of the fact that they are unable to fulfil their game under League Regulations but are prepared to play a friendly game, by no later than 20:00 on the Thursday immediately before the match was due to take place.

If the offending team is prepared to play a friendly match, they must also make this clear by 12 noon on the following day. It must be stressed that the deadlines given are the LATEST times to comply with these terms and clubs are expected, where possible, to make agreed arrangements at the earliest opportunity.

A written (email suffices) record of all correspondence must be maintained, and all such material must be copied to the relevant League Secretary.

Should the offer of a friendly match be accepted by both sides and duly played, irrespective of the result of the friendly match, the non-offending side will be awarded a 5-point and the offending side will not be subject to a deduction of Championship points.

If the offending team makes a genuine offer to play a friendly match, but the non-offending side declines, the match shall be declared void and no Championship points or points deduction shall be awarded to either team.

An Electronic Match Card cannot be used to record matches played under this arrangement. The details must be communicated to the Results Service via phone or text. A Club is entitled to offer a friendly thereby avoiding a points deduction a maximum of three times in a season.

Rule addition July 2023 awaiting ratification. <https://www.swrugby.co.uk/>

ADDITION FOR SEASON 22-23 - DISCIPLINE

With the reported rise in cases of match official abuse from spectators, and coaches we feel we need to do more to promote and enforce the values of our game.

Therefore, in addition to the normal discipline process the competitions committee reserve the right to penalise teams by way of points deduction for league games and forfeiting wins in cup matches.

It is all our responsibility to come down heavy of cases of ill discipline and lack of respect and we will punish any cases that are reported to us.

1. The competition shall be known as the Cornwall RFU knockout Cup or league Competition and shall be open to all clubs with membership with the Cornwall RFU. Clubs wishing to enter must inform the Youth Competition Secretary by the 1st of August.
2. Cornwall RFU committee shall appoint a Competition Secretary Who shall run all competitions and have the final decision on any conflicts. An appeal on the competitions secretary's decision must be put in writing to the competitions Chairman within 7 days of the decision for the committee to discuss.
3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly. The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.
4. Matches will normally be played on the weekend of the dates stated in the draw. However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems. Should a club need to alter a scheduled date they must contact the Competition Secretary 3 weeks prior to the scheduled date. Should the reason for postponement be granted, the Competition Secretary will reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision may result in a penalty.
5. Players must have a current registration with their respective clubs, any players loaned should be written on the match card with an Asterix next to their name.

team sheets are provided by the Competition Secretary, they will include players name and RFU registration number. A player who is not a registered member of any club participating in the competition may join, providing he does register. Any player wishing to Join another club and is not cup tied (3 games or less) may do so with the relevant paperwork completed and signed off, no registered player may transfer after the deadline date which is the 1st of March without express permission from the CRFU committee. Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, a local member of the Cornwall Referees Society must be asked to confirm this decision. Should a game not be played, with no fault attributed

to either side, then 2 points will be awarded to both. Where a club concedes a game and does not play as a friendly they will be deducted 5 points and their opponents will be awarded 5 points, should a club withdraw from the Competition, the points together with for and against scores in matches already played shall be removed from their opponent's total. Should there be a tie then the difference between match points for and against shall count. In the knockout stages of the competition, should teams be level at full time, 10 minutes extra time each way will be played, should the score still be level then a further period of play will commence and the first team to score, either by a kick or try will be the winner, in the event that it is not possible to play any extra, extra time then a toss of the coin will decide the winner.

Should a game end in a draw, 10 minutes extra time each way will be played, should the score still be level then a further period of play will commence and the first team to score, either by a kick or try will be the winner, in the event that it is not possible to play any extra, extra time then the two teams will share the trophy.

12. For all matches in the competition, the Cornwall Referees Society shall appoint a referee. Should no appointed referee be available the home team as the responsibility of finding a suitably qualified/trained replacement and mutually agreeing this with the opposition, this must be noted on the team sheet before the game commences and

signed by both team managers. If no agreement can be reached the Competition Secretary must be notified immediately.  - we will send you direct marketing or promotional material by email;
 - we may handle medical or disability information you or your parent provides to us, to ensure we support you appropriately;
 - on other occasions where we ask you for consent, we will use the data for the purpose which we explain at that time.
- For purposes which are required by law:
 - we maintain records such as health and safety records and accounting records in order to meet specific legal requirements;
 - we ensure, where you will work with children, that you have undergone an appropriate DBS check – this is also carried out with your consent.
 - where you hold a role at the CRFU requiring us to check your right to work, we may process information to meet our statutory duties;
 - we may respond to requests by government or law enforcement authorities conducting an investigation.

How does the RFU use any of my information?

The RFU provides GMS, but make its own use of the following information:

- your name;
- your gender;
- your date of birth;
- your RFU ID (as assigned in GMS);

- your home address, email address and phone number; and
- your type of membership and involvement in particular teams at the Club, or any key role you may have been allocated, such as Chair, Safeguarding Lead, Membership Secretary etc.

The RFU uses this information as follows:

- As required by the RFU to conduct its business and pursue its legitimate interests, in particular:
 - communicating with you or about you where necessary to administer Rugby in England, including responding to any questions you send to the RFU about GMS;
 - administering and ensuring the eligibility of players, match officials and others involved in English rugby – this may involve the receipt of limited amounts of sensitive data in relation to disabled players, where they are registered for a disabled league or team, or in relation to anti-doping matters;
 - maintaining records of the game as played in England, in particular maintaining details of discipline and misconduct;
 - monitoring use of GMS, and using this to help it monitor, improve and protect its content and services and investigate any complaints received from you or from others about GMS;
 - maintaining statistics and conducting analysis on the make-up of rugby's participants;
 - ensuring compliance with the current RFU Rules and Regulations including those on the affiliation of clubs, referee societies, constituent bodies and other rugby bodies, and registration of players; and
 - communicating with you to ask for your opinion on RFU initiatives.
- For purposes which are required by law:
 - The RFU will ensure, where you will work with children and where this is required, that you have undergone an appropriate DBS check – this is also carried out with your consent.
 - The RFU may respond to requests by government or law enforcement authorities conducting an investigation.

Withdrawing consent or otherwise objecting to direct marketing

Wherever we rely on your consent, you will always be able to withdraw that consent, although we may have other legal grounds for processing your data for other purposes, such as those set out above. In some cases, we are able to send you direct marketing without your consent, where we rely on our legitimate interests. You have an absolute right to opt-out of direct marketing, or profiling we carry out for direct marketing, at any time. You can do this by following the instructions in the communication where this is an electronic message, or by contacting us using the details set out below in the **"How do I get in touch with you or the RFU?"** section.

Who will we share this data with, where and when?

In addition to sharing data with the RFU, we will share your data with: the media for public relation purposes.

Some limited information may be shared with other stakeholders in rugby, such as other clubs, Constituent Bodies, referee societies, league organisers, so that they can maintain appropriate records and assist us in organising matches and administering the game.

Personal data may be shared with government authorities and/or law enforcement officials if required for the purposes above, if mandated by law or if required for the legal protection of our or the RFU's legitimate interests in compliance with applicable laws.

Personal data will also be shared with third party service providers, who will process it on our behalf for the purposes identified above. Such third parties include the RFU as the provider of GMS.

Where information is transferred outside the EEA, and where this is to a stakeholder or vendor in a country that is not subject to an adequacy decision by the EU Commission, data is adequately protected by EU Commission approved standard contractual clauses, an appropriate Privacy Shield certification or a vendor's Processor Binding Corporate Rules. A copy of the relevant mechanism can be provided for your review on request.

What rights do I have?

You have the right to **ask us for a copy** of your personal data; to **correct, delete** or **restrict** (stop any active) processing of your personal data; and to **obtain the personal data you provide to us for a contract or with your consent in a structured, machine readable format**.

In addition, you can **object to the processing** of your personal data in some circumstances (in particular, where we don't have to process the data to meet a contractual or other legal requirement, or where we are using the data for direct marketing).

These **rights may be limited**, for example if fulfilling your request would reveal personal data about another person, or if you ask us to delete information which we are required by law to keep or have compelling legitimate interests in keeping.

You have the same rights for data held by the RFU for its own purposes on GMS.

To exercise any of these rights, you can get in touch with us – or, as appropriate, the RFU or its data protection officer – using the details set out below. If you have unresolved concerns, you have the **right to complain** to the Information Commissioner's Office.

Much of the information listed above must be provided on a mandatory basis so that we can make the appropriate legal checks and register you as required by RFU Rules and Regulations. We will inform you which information is mandatory when it is collected. Some information is optional, particularly information such as your medical information. If this is not provided, we may not be able to provide you with appropriate assistance, services or support.

How do I get in touch with you or the RFU?

We hope that we can satisfy queries you may have about the way we process your data. If you have any concerns about how we process your data, you can get in touch at janebellcornishrugby@gmail.com or by writing to The Hon. Secretary, CRFU, 19, Windmill, Fowey, Cornwall, PL23 1HB.

If you have any concerns about how the RFU process your data, you can get in touch at legal@rfu.com or by writing to The Data Protection Officer, Rugby Football Union, Twickenham Stadium, 200 Whitton Road, Twickenham TW2 7BA.

How long will you retain my data?

We process the majority of your data for as long as you are an active member and for 6 years after this.

Where we process personal data for marketing purposes or with your consent, we process the data for 6 years unless you ask us to stop, when we will only process the data for a short period after this (to allow us to implement your requests). We also keep a record of the fact that you have asked us not to send you direct marketing or to process your data indefinitely so that we can respect your request in future.

Where we process personal data in connection with performing a contract or for a competition, we keep the data for 6 years

We will retain information held to maintain statutory records in line with appropriate statutory requirements or guidance.

The RFU will maintain records of individuals who have registered on GMS, records of DBS checks and the resulting outcomes and other disciplinary matters for such period as is set out in the RFU's privacy notice to be set out on www.englandrugby.com.

Records of your involvement in a particular match, on team sheets, on results pages or in match reports may be held indefinitely both by us and the RFU in order to maintain a record of the game.

THE SOUTH WESTERN DIVISION RUGBY FOOTBALL MUTUAL BENEFIT FUND

The Fund founded by the late Tom Lean of Plymouth in 1920 is administered by official representatives of Cornwall, Devon, Gloucestershire and Somerset, to provide financial assistance to players, officials and/or referees, or in the case of death where there is hardship, to relatives of same. The assistance given over the years has been considerable, but due to the development of the game on a more physical basis the number of injuries is not only increasing but is becoming more serious, and the question of insurance cover is a matter which should be looked into.

There are still a number of clubs in the South West who have apparently overlooked the important factor of making sure their players are adequately covered against injury, and the attention of every club is therefore drawn to the advantages to be obtained from taking up Membership of the South Western Mutual Benefit Fund, particularly in view of the fact that two significant changes have been made from last year, viz.,

1. The Insurance taken up with the Fund for loss of earnings Benefit will now cover up to £50 PER DAY. (All claims are based on a 6-day week.)
2. The RFU this year will pay the Compulsory Insurance and Public/Employers Liability direct. This means we have reduced our Premiums to show this.

Other points are:-

3. Maximum period of Benefit is 156 days, although this can be increased in special circumstances at the Committee's discretion.
4. In addition to **LOSS OF EARNINGS BENEFIT**, cover also includes **PHYSIOTHERAPY & DENTAL TREATMENT** not available under the D.H.S.S.
5. You will see the Fund was founded in 1920 under the aegis of the South West Constituent Bodies for rugby people.
Full details are available from — R.J. Farthing, 49A Bridge Street, Taunton, Somerset TA1 1TP.
6. Professional Players & Referees
No compensation is payable in respect of loss of income derived from the playing, coaching or refereeing of rugby union football.
7. Premiums
Annual premiums are due on the 1st August in each year and cover claims in respect of injuries sustained in the ensuing 12 months.

"WARNING" – An upsurge in the number of casual games such as 'Pub XV's has been reported. Club Officials would be well advised to inform their players that they are unlikely to be covered for any form of insurance when playing in such games not on a club's normal fixture list.

IMPORTANT NOTICES

Death from Heart Failure or Collapse does not come within the cover afforded by the Rules of the Fund but is available from the RFU.

If claims are not notified in accordance with the Rules, and the correct information given, then a claim might be rejected.

**SOUTH WESTERN DIVISION RUGBY FOOTBALL
MUTUAL BENEFIT FUND
CLAIMS PROCEDURE**

1. Immediately a player is injured on the field of play his Club Secretary must be informed, and a first notification that a claim may develop must be sent to the Hon. Secretary of the Fund WITHIN TWENTY ONE DAYS.
2. WITHIN TWENTY ONE DAYS of the injury, the claim form must be completed as required, and forwarded with the relevant documents requested to the Hon. Secretary of the Fund.
3. Nett Weekly wage is the actual amount received by the player after all statutory deductions such as NHS, Tax, etc., have been deducted, and it is essential copies or proof of wages are sent.
4. As soon as the player has been declared fit to resume his occupation, a final medical certificate should be sent to the Hon. Secretary of the Fund, when the benefit due will be paid providing everything is in order.
5. It is primarily the responsibility of the player and his Captain to ensure the Official dealing with insurance is notified without undue delay of any injury to a player.

This is YOUR FUND for YOUR BENEFIT, and can only succeed with your co-operation.
